Grodno State Medical University

2025 International Student Conference **SCIENTIA INFINITA**

INFORMATION LETTER

Dear international undergraduates, graduates and postgraduates of medical universities!

We invite you to take part in the International scientific and practical conference:

«SCIENTIA INFINITA»

dedicated to the 30th anniversary of the Medical Faculty for International Students of the Grodno State Medical University, Belarus

The conference will be held on **March 28, 2025**

The purpose of the conference is to stimulate research activities of international undergraduates and postgraduates studying or having studied at medical universities in the Republic of Belarus and abroad. We hope that this conference will create new opportunities for the realization of research interests and capabilities, and for the exchange of relevant and prospective scientific ideas between medical students and medical professionals.

Topic areas of the conference:

1. Clinical medicine.
2. Experimental medicine.
3. Fundamental medicine.

Conference Venue: Grodno State Medical University, 80 Gorkogo Street, Grodno, Belarus

Format: offline/online.
